Jones Academy of Excellence

Jones Academy of Excellence Instructional Activities

- Demonstrate understanding through a combination of techniques including written assignments, oral presentations, dramatic performance, and artistic products.
- Group work involving cooperative learning strategies.
- Demonstrate knowledge of the resources available and the process required for research including print media, internet searches, observational data, decision-making, evaluation, and appropriate presentation of new information as an end product.

Jones Academy of Excellence Assessment Plan

- All work must meet quality standards in order to be accepted.
- Credit is not earned for assignments/activities that are incomplete or missing.
- Missing assignments must be made up with in 3 school days.
- Each assignment/project is for the betterment of your educational journey as preparation for the road ahead.

Jones Academy of Excellence Civic Engagement Plan

- Students and parents/guardians will complete 10 hours each quarter that consist of voting + voting rights, volunteering with community organizations, and participating in philanthropic events.
- Students are responsible for submitting a one-pager per quarter describing their experiences as part of the civic engagement plan.
- Students will participate in in-depth dialogue surrounding subject matter that challenges their values and moral compass as well as provide context to the current affairs of our world.
- Students and families will obtain their passport to experience a study abroad trip that focuses on developing foreign language skills and/or work productively with other cultures from a restorative lens.

Jones Academy of Excellence Instructional Materials

- Individual Hygiene Package compliments of BAG Lady Outreach
- Personalized binder with Jones Academy of Excellence Guide
- Access to all online learning programs
- Purple Path Restorative Justice Training Guide
- School supplies needed to thrive in every area of our learning experience
